

Why Go Firewise in the Mount Bache Neighborhood

Join us for a special Why Go Firewise Presentation by Lynn Sestak, the Firewise Coordinator for Santa Cruz County

We will focus on how our neighborhood, from Mar Vista to Mount Bache, on to Loma Prieta and Rancho Prieta may benefit from the Firewise program

Hello Neighbors!

My partner and I are eight-year mountain residents, living on Mount Bache. We recently started looking into the benefits of creating a Firewise community in our neighborhood and found neighbors from Mar Vista to Mount Bache and on up to Loma Prieta and Rancho Prieta also interested in the program. The Firewise obligations are low impact (e.g. 1 hour/year/household) and benefits are greater community resilience, education opportunities, and resources, like early access to the Chipping Program. Participation at all phases is voluntary but most appreciated. Our combined efforts can be a powerful addition to our individual efforts to protect our community from wildfire.

We hope you will join us to learn more from Lynn Sestak, the Firewise Coordinator for Santa Cruz County, who will be presenting her Why Go Firewise talk to our neighborhood via zoom. Feel free to join virtually from wherever you are. If you are interested in coming over to watch the zoom together, please let me know!

Hosts: Amy Winkler & Paul Carr

When: Thursday, August 8, 2024, 6-7pm

Where: Virtually on Zoom (see back of flyer for details) or contact me to join a watch party

Other: Feel free to contact me with any questions at winkleramy@gmail.com or visit <https://www.firesafesantacruz.org/>

Zoom Details

Topic: Why Go Firewise: Mt Bache and Rancho Prieta Roads

Time: Aug 8, 2024 18:00 Pacific Time (US and Canada)
