

## THREE ZONES MAKE UP 100 FEET OF DEFENSIBLE SPACE

## DEFENSIBLE SPACE ASSESSOR TRAINING

You are invited to attend CAL FIRE's CZU Defensible Space Assessor Training in Santa Cruz County. This training is modeled after the program received by CAL FIRE Defensible Space Inspectors and is intended to prepare participants to conduct non-enforcement Defensible Space Assessments within the county.

Upon successful completion, participants will be equipped to provide valuable defensible space education to property owners, supporting local fire prevention efforts. Attendance on both days is required to receive the full curriculum. The training will be primarily classroom-based. Coffee, water, and light refreshments will be provided.
